

Racing & Social Programme

2025

Kindly sponsored by

Affiliated Charities

A special thankyou to the Vice Presidents of the Barton Regatta Committee for their generous donations.

Welcome to the Barton Regatta 2025!

On behalf of all the regatta team, it gives us great pleasure to welcome you to Barton Regatta 2025.

We hope you have a lovely long-weekend, a few announcements.

Our WhatsApp group is up and running once again for courses, general information and other important things.

We will be selling raffle tickets throughout the weekend for our much anticipated Prize Giving Raffle. Please find a person with a card reader and ticket book to buy your tickets!

We are donating as much of our proceeds as possible to our charities, If you would like to donate to the Regatta fund, please use this QR code.

Cruisers Start 1

Cruisers Start 2

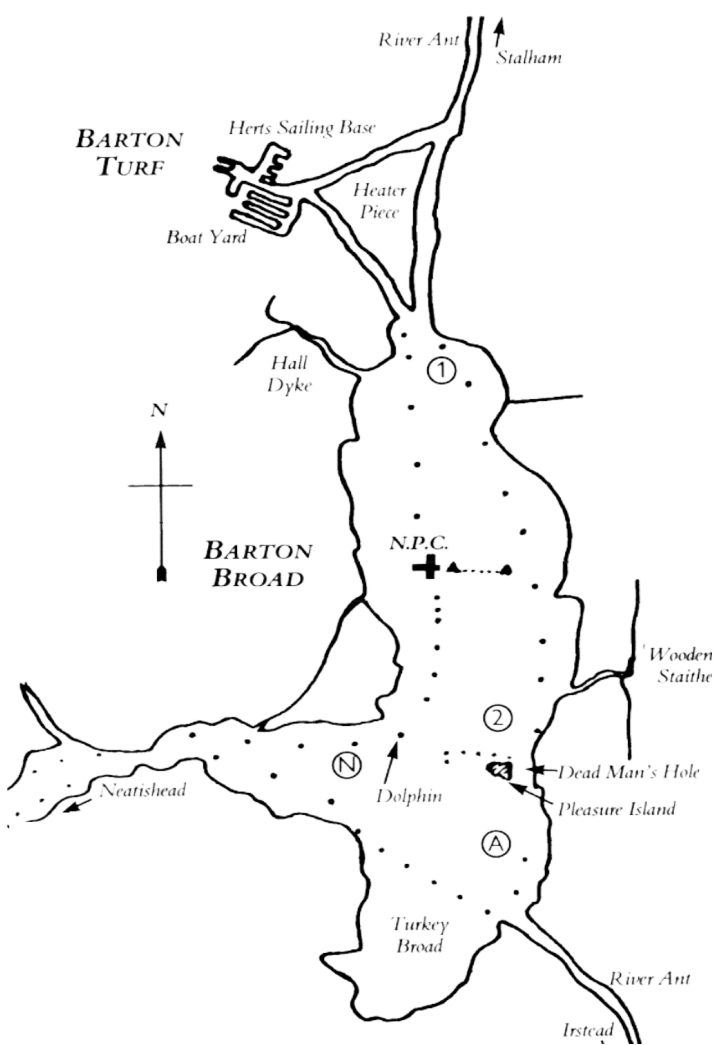

Cruisers Start 3

Cruisers Start 4

Racing Rules and Regulations

Please Note

The R and D buoys can be placed anywhere on the broad

The J mark is reserved mostly for Junior Courses. The Dolphin Mark denotes a fixed obstruction and shall be passed to the east. Ask for room if necessary. This has to be given. Marks D,J,R fly the respective code flags for those letters

All buoy positioning is subject to change. The course will be placed on the officers box, and may be placed on the training whiteboard in the Kon-tiki at the race officers discretion

Racing Rules and Regulations

Disclaimers and Information you need to know.

This year we will run off a 5,4,1 starting sequence.
(1 minute bell)

If a start is subject to a general recall the race team may use a black flag in place of the propitiatory flag, P. That start will then go to the back of the series.

A boat starts when her hull, having been entirely on the pre-start side of the starting line, crosses the starting line from the pre-start side of the course at her start.

Please note there are shallow areas of the broad around the island, towards the edges and outside the channel markers in Turkey Broad (South end of the Broad). All boats sail the course at their own risk and have been warned that the island is so shallow birds stand up in it.

Protests must be registered within 30 minutes of the last boat in the race finishing.

Split starts will be published on the day, at least an hour before the first start of the series, on the board in the Kon-tiki, on whiteboards on the pontoons and starting raft, and in the WhatsApp group.

The splits are done by handicap for the River Cruisers, but the board will show your sail numbers in their separate starts.

YBOD split starts will be done by sail number only. It is your responsibility to ensure you start in the correct start. Any boats racing in a start earlier than theirs will be disqualified.

River cruisers must come to the pontoon to collect a ribbon correlating to their start.

A Huge Thank You to You!

We hope you have the best weekend, Barton Regatta wouldn't be the same without everyone coming and sailing and supporting this event.

We know that we can always improve, so we would love to have your feedback, and at the end of the weekend a google form will go out to you asking for your help to make next year even bigger and better.

Until then, if you have any problems or complaints, please talk to the Officer of the Day or Kira Mason (who you can usually find in the results boat!). They will try to fix whatever they can.

A Final HUGE thank you to everyone who donated something for the raffle, and all the amazing volunteers who have staffed this weekend. We literally couldn't do this without our volunteers, so please treat them with the kindness they deserve. We look forward to seeing you out on the water soon!

THANK YOU
